Owner privileges (In the period
when the owner is not
renounced)

Medium Severity

No Medium severity
Issue

High Severity

No High severity
Issue

Disclaimer

The analysis of the security is purely based on the smart contracts alone. No applications or operations were reviewed for security. No product code has been reviewed.

the audit makes no statements or warranties on business model, investment attractiveness or code sustainability. The report is provided for the only contract mentioned in the report and does not include any other potential contracts deployed by Owner.
